Figma, Git, MongoDB, MySQL, Firebase

Industry Knowledge

Dart, Flutter, Java, JavaScript, C++, C#, Kotlin, API

Languages

Arabic, English

Education

Computer Science

MET

2022 - 2026

About Me

During my computer science journey, I've immersed myself in mobile app development for over two years. Additionally, I've accrued three years of entrepreneurial experience, fueling my ambition to lead "Novitx" to success.

EXPERIENCE

Flutter Developer

IEEE Mansoura Computer Society Chapter | 2023 - Present

I've contributed my technical skills to the development of innovative projects while actively participating in a collaborative and dynamic environment.

Co-Founder & Chief Technology Officer

novitx | 2022 - Present

I've developed extensive expertise in team leadership, team building, start-up leadership, and business analysis. These skills have been essential in steering Novitx towards success and establishing it as a prominent player in the tech industry.

PROJECTS
